

# Foreign Internet Providers — Compliance Checklist

Operational checklist for foreign internet application providers subject to ECA Digital and Decree No. 12.975/2026.

## Designation & Contact

- Designate a Brazilian legal representative.
- Publish a contact channel for notifications and content notices.
- Document internal escalation paths for urgent requests.

## Child Protection

- Define age-appropriate measures for services accessible to minors.
- Document moderation rules and enforcement metrics.
- Maintain procedures for cooperation with child-protection authorities.

## Records & Reporting

- Keep records demonstrating cooperation with judicial and regulatory notices.
- Implement data preservation procedures for the periods required by Brazilian law.
- Periodically review compliance posture and update documentation.
